

ERP Call for inspiring stories of rural communities taking action on climate change and sustainability

Guidelines and rules of the challenge

Is your community at the forefront of the transition to low-carbon ecological future?

Have you taken steps to reduce your carbon or ecological footprint? Have you launched projects (energy, food, mobility, waste, etc..) that facilitate the participation of local people in the transition process?

If so, please tell us more about your inspiring work and be in with a chance of winning an all expenses* paid trip to the next European Rural Parliament conference in Candás, Asturias 6-9th of November 2019.

In particular, we would like to hear more about (max. 150 words in total):

1. Your local transition journey and how it got started?
2. How it involves local people?
3. What has been achieved (in terms of local participation, project development, climate and environmental impacts, etc..) and what's planned for the future?
4. If possible, please submit one or more photos (min. 300dpi) or a short video to kim.smedslund(at)suomenkylat.fi as a mail-attachment telling that you participate in the challenge and your name + organization
